### Who sees my profile card?

As a jobseeker / student you can see all the employers and exhibitors, but not the other jobseekers/students. This means that other jobseekers/students are NOT able to see your profile in this event.

6. Get to know all the exhibitors at Partners - tab. There you can find the exhibitors and by clicking the icon you are able to see the persons who are related to the company. Via their profile cards meeting icon you can now suggest a suitable time with the company you are interested in. Also, the recruiters can suggest a meeting if they are interested in you as a job applicant / practical trainer.
7. You can see all the exhibitors profile cards also from the tab People. Exhibitors either accept or cancel your request. Exhibitor can also send you a message suggesting another date. You will receive these messages in your e-mail. We suggest you check also your junk mail from time to time.

If an exhibitor suggests a meeting for you, **accept a meeting** or if you are unavailable that time, you can **cancel it** and send a new invitation suggesting a new time.
