Orientation training for participants who have the possibility of fast employment

te-palvelut.fi

Helsinki 9/10/2017 – 10/11/2017

Target group

The training is intended for new customers of the TE-office. Participants should have a strong command of English, the possibility for fast employment and should not have previously participated in the TE-office integration training. This training will be held in English.

Schedule

Orientation training from 9th October 2017 to 10th November 2017

Studying is on weekdays from 9 to 14.00 o'clock. Education focuses on actively searching for jobs. The duration of the training is 25 days.

Where?

Training facilities are located in Suomen Lions-liitto, Kirkonkyläntie 10, 00700 Helsinki. Conference room on the 3rd floor. Suomen Lions-liitto is located in Malmi within a short walking distance from the Malmi railway station. The local trains I, P and K and several buses (e.g. 69, 70, 73, 79, 554, 561) stop at Malmi.

Goal?

The aim of the training is to find employment in the open labor market, to encourage integration and to learn the basics of the Finnish language. The aim is also that the participants have a clear picture related to the integration services, their rights and the means and opportunities for independent integration.

Contents

The training focuses on, among other things, looking for work and creating excellent job applications. In addition to this it will go through the Finnish labor legislation, standards, enterprise and self-integration opportunities in the labor market. Training includes Finnish language training.

How to apply?

Please contact your TE office for more information. The number of the training is **673813**.
