Job search coaching in English

Time: 16.-20.11.2020

Place: Saimaa Vocational College Sampo
Armilankatu 40, A door, 53100 LAPPEENRANTA

Education provider: Edusampo Ltd

Target group

The training is intended for clients with an immigrant background who have completed different degrees in Finland in English language. This training is also suitable for clients with an immigrant background who have not completed their degrees in Finland but are able to speak English.

Goal

The goal is to explain the rules of the Finnish working life to the client. Moreover, the aim is to support and guide the client's employment in the open labour market and to provide the client with the opportunity to improve their job search skills.

Implementation of the training

The training is carried out as a one week contact teaching course. Exercises and assignments are used to implement the training content.

Content, 5 days, 35 h, 8 a.m. to 3 p.m.

- recognition of one's own professional strengths and areas of improvement
- job application process
- recognizing and marketing one's skills
- labour market situation (own labour market, Finland, EU / EEA)
- employer contacts
- modern job search channels
- electronic TE services
- writing job search documents (various media)
- getting acquainted with the Jobmarket
- the rules of the Finnish working life (certificate for immigrants)

Applying

The jobseeker agrees to take part in the training in the employment plan, made with the TE Services expert, after which the jobseeker signs up for the training.
