# START WITH US!

## SERVICE PLEDGE:

We respond quickly to statement requests from the TE services so that you can start your business according to your planned schedule. We will meet you at your place of residence to have a thorough discussion about your plan. We also give you our best, honest support to get your business off the ground. Your business will be supported as part of our business community.

## PROFESSIONALS:

### JUHO IKONEN

You can get off to a smooth and relaxed start on entrepreneurship with me. I can help you move forward in a concrete and understandable way. I have extensive knowledge and practical experience from several industries. I respond quickly to contact requests and will be happy to meet you in your hometown at short notice.

### MERJA KOISTINEN

I am a positive business professional with diverse experience in business development and coaching entrepreneurs in Lapland. Working with me is practical, people-oriented and concrete. I am happy to help you get started.

# ABOUT US

## REFERENCES:

*"Juho was very friendly and helpful during the startup grant process. He shared a lot of good information in relation to running my company. Very approachable and I would highly recommend a consultation with him if you are starting a new business. 10/10."*

**John Gibbons, Arctic Carpentry Oy**

*"I couldn't have had more support when starting up my business, Kaskando Artwork, here in Rovaniemi. Merja and Juho, from Doama Solutions have been incredibly grounding and supportive. Their wisdom and understanding have been invaluable."*

**Gabriel Galway, Kaskando Artwork**

*"I opened my company without having any knowledge, and thanks to the help of business experts I could be guided to all the processes for it. With the start up grant, Juho and Merja from Doama were helping me by sharing their expertise in their own field."*

**Louis-Charles Buyck, Arctic Explore**
