JOB SEARCH TRAINING IN LAPLAND

***How and where can I find a job? In which industry I could use my skills?
Which industries need workers?***

Among other things, you can get support and help for these matters in the job search training service with the help of professional coaches. The service is suitable for job seekers who want to find employment in the open labor market.

DURING THE TRAINING YOU WILL GET

- ✓ A customized Brand CV to support your job search
- ✓ Support for finding jobs
- ✓ Support for identifying your competence and professional skill
- ✓ An individual, concrete service plan
- ✓ Individual business meetings planned by your job search coach
- ✓ The possibility to complete a maximum of two license and or card training, e.g. hygiene pass or occupational safety card
