

# Kasvuväylä partners with your company in the planning of internationalisation

**Kasvuväylä (Path to growth)** is a free expert service for companies provided by the Uusimaa TE Office.

We help companies seeking international growth with different business development needs and support companies' development by offering advice on the steps they can take to move forward. We advise your company on questions related to internationalisation and find the right services to help you on your path to internationalisation.

We provide you with services and experts to help you internationalise your business. We will work with you in order to assess what expertise is needed to identify target markets and to smoothly manage international trade patterns. The Uusimaa TE Office will also help you familiarise yourself with funding options and support.

We are experienced professionals with in-depth knowledge of the field of business and public support opportunities.

We are part of the Team Finland network.

Feel free to contact us and let us help you. We're here for you and your business.
