

Facing a change of ownership or a generational change?

Kasvuväylä helps you find solutions for continuing your business

Kasvuväylä (Path to growth) is a free expert service for companies provided by the Uusimaa TE Office.

We help changing companies with different business development needs and offer advice on the appropriate steps they can take to move forward.

A change of ownership makes it possible to preserve the company's achievements. We help you move forward with questions concerning a change of ownership or a generational change, including questions related to determining the value of your company, preparing the company for a sale and various continuity solutions.

We are experienced professionals with in-depth knowledge of the field of business and public support opportunities.

We are part of the Team Finland network.

Feel free to contact us and let us help you. We're here for you and your business.
