Entrepreneurship Course

- learn all areas of how to start a company

People who are considering entrepreneurship have different backgrounds: goals, skills and knowledge differ from each other. Valmennusmajakka offers you an opportunity to be involved in a course which helps you accomplish your dreams as an entrepreneur.

During this **online training** you will make a practical business plan, which is tailor-made for your business idea and yourself.

The plan will be made in Tulosmajakka.fi. It is an **easy to use practical tool for creating business plans**. Tulosmajakka will be at your disposal free of charge after the training. Therefore, you can continue to develop your business plan whenever needed.

This is how the service proceeds

1. You will make an initial mapping to help you identify, market, and sell your own expertise.
2. You will make an entrepreneurial test and get more information about your entrepreneurial skills and weaknesses.
3. You will meet your personal coach online.
4. You will make a concrete business plan for your own business idea.

Your business plan consists of the following parts

- Entrepreneurship and business planning
- Market analysis and report
- Business forms and incorporation
- Marketing and sales plans, productisation
- Business economics and profitability, pricing
- Corporate finance
- Entrepreneur's tax, law and employer knowledge
- Entrepreneur's insurance and social security
- Economic planning
